2010

First LMS designed for teaching Spanish (over 200k students worldwide today).

2015

Edinumen launches its first programs aligned to ACTFL standards (Mundo Real + Entornos).

Who we are

Edinumen, 30 years of experience and specialization in teaching Spanish

Three decades ago, we decided to specialize in the creation of materials and tools for teaching Spanish. In that time, we built a reputation on our ability to create innovative products, winning the respect of the worldwide community of Spanish speakers and becoming one of the premier publishers in the sector worldwide, with solutions for all contexts, ages, and programs. In 2018, as we saw increased interest from US Spanish teachers, we realized that the time was ripe to expand our operations to the United States, and Edinumen USA was formed. While 2020 and 2021 were challenging, we were able to reach more than 20,000 students.

Edinumen USA and Editorial Edinumen share the same values: producing research- and evidence-based materials; a commitment to teachers, students, parents, and schools; and a culture of continuous improvement. We work closely with our colleagues in Spain to bring you quality materials at responsible prices that help you create the Spanish program of your dreams.

2016

Over 2 million students study worldwide with Edinumen's programs.

2017

Edinumen and University of Salamanca form a partnership for PD (EiDELE).

2018

Over 1,000 leading institutions worldwide adopt Edinumen's Spanish programs.

2019

Edinumen releases the first immersive Spanish videogame (Reviewed by the Real Academia Española).

2021

Identidades; a new Spanish course built on language research and real examples extracted from the Corpus of the Real Academia Española, is released in the USA.

2022

Edinumen USA presents RECURSOfeca, the ultimate digital collection to customize your Spanish program and create Español a tu medida.

What our customers are saying

Eda Henao

Director, Department of Modern Languages - Borough of Manhattan Community College (City University of New York)

"Un interés mayor por el aprendizaje del castellano se ha notado desde que hemos comenzado a usar materiales de Edinumen. [...] El estudio del castellano para muchos de nuestros estudiantes ha pasado de ser un requisito y comenzado a formar una parte mucho más integral de lo que llamamos electivas lo cual ha estimulado el crecimiento de nuestros cursos intermedios."

María E. Zaldívar

Coordinator of Intermediate Spanish Instruction - Kent State University

"Un libro verdaderamente diseñado con un enfoque comunicativo que permite al estudiante desarrollar todas las destrezas. Las actividades de comprensión están muy bien diseñadas y muestran dialectos de todas partes del universo hispanohablante. Un equipo que verdaderamente pone atención y responde a las necesidades de los profesores."

Carolina Chaves O'Flynn

Assistant Professor, Spanish Language
Co-Coordinator - Queensborough Community College (City University of New York)

"Los materiales de Edinumen motivan a los estudiantes a hablar desde el primer contacto. Las guías del maestro son perspicaces; las lecturas culturales, brillantes y entretenidas; y los proyectos comunitarios, 'la cereza del pastel'."

Mariola Pérez de la Cruz

Master Faculty Specialist. Spanish Basic and Intermediate Coordinator - Western Michigan University

"El libro Entornos y su plataforma virtual ELEteca ha sido de tremenda ayuda durante la transición del formato de las clases en persona a virtual. El profesor ha podido ver el trabajo diario del estudiante desde el Ebook y Eleteca resources. La compañía Edinumen y su servicio técnico disponibles 24/7 son súper diligentes."

Colección Temas de...

Intermediate High – Advanced Low

This four-volume series is a unique learning tool for students preparing to use Spanish in their professional lives. These advanced books help bridge the gap to professional fluency and are perfect for any healthcare, tourism, or business professional with an upper–intermediate knowledge of Spanish.

Libro de claves

Manual with hints and guidelines for working with the material in class and answers to the activities in the student book.

The series features:

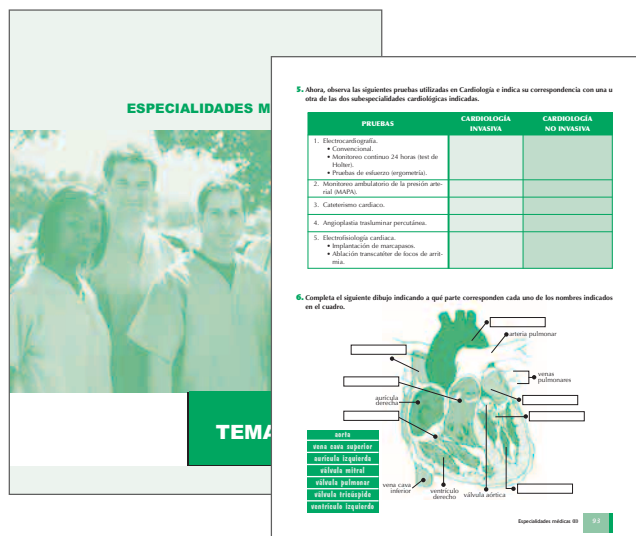

- › Subject-specific vocabulary lists, including relevant phrases and colloquialisms.
- › Practical activities, such as planning a simulated healthcare campaign, speaking during a negotiation, or organizing an itinerary for an international tourist, that encourage students to practice skills in context.

"The material that prepares students to work and study in the professional world."

Each book consists of 10 teaching units that deal with the most representative topics and content of each field.

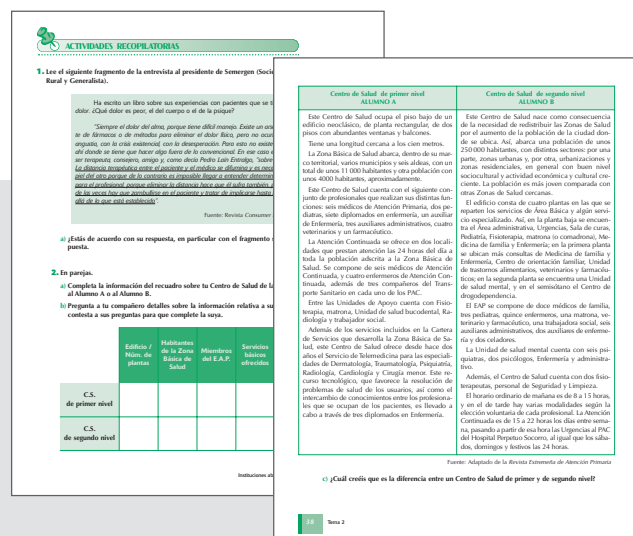

The activities develop the four skills and work on the specific lexicon through activities that enhance oral and written communication and consolidate the knowledge offered in each manual.

With the **Libro de claves**, students can work alone to prepare for the exam.

► They include a sample test for students to check their knowledge.

► Each unit ends with a section of "Actividades recopilatorias," which students can use to review and assess their learning.
